Forecast For East of England
Issued by Met Office Exeter
at 1600 on Saturday 20 Nov 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Cloud and rain clearing overnight. Turning cold Sunday with showers.

This Evening and Tonight:
Cloudy evening, with some light rain possible. This clearing south during the early hours of Sunday, with clearer, colder weather following. Perhaps the odd shower moving into the Norfolk coast, with brisk northerly winds also strengthening by dawn. Minimum temperature 3 deg C (37 deg F).

Sunday:
Sunny start for most. Cloud soon increasing, however, with occasional showers, and a chance of hail, before easing later in the day. Feeling cold, especially in the brisk winds. Maximum temperature 8 deg C (46 deg F).

Outlook for Monday to Wednesday:
Largely dry, with lengthy sunny spells but also occasional cloud. Perhaps the odd shower. Temperatures recovering to nearer normal, but staying breezy, especially along coasts. Fog patches possible early Wednesday.
